On an average workday, my pet will be left alone \_\_\_\_\_ hours.

When your pet is alone, where will it be kept? \_\_\_\_\_

At night, where will your pet be kept? \_\_\_\_\_

\_\_\_\_ I understand that all animals adopted from The Lucky Spot Dog Rescue must be spayed or neutered and that TLSDR reserves the right to spay and neuter any animal at any time while in the adoption program.

\_\_\_\_ I am aware and agree that if, at any time, I can no longer care for this pet, I may not sell or give the pet away, but agree to return it to The Lucky Spot Dog Rescue and I may be subject to an owner surrender fee.

\_\_\_\_ I understand that pets can live 15 years or longer and can cost up to \$500 each year for basic nutrition and veterinary care. I understand that my new pet requires yearly checkups just like people do, so it is important that I establish a relationship with a veterinarian for my pet's care. I agree and understand that any fees charged by my veterinarian for the care of my adopted animal will be my sole responsibility as the new pet owner. I am willing to accept this financial responsibility.

\_\_\_\_ The information I have given in this application is correct to the best of my knowledge I understand that TLSDR reserves the right to approve or reject this application. All adoptions are on a first-come, first-served basis and are considered complete upon payment of adoption fee.

I understand, as previously explained, that you may be contacting my veterinarian for vaccination and health history of the pets that I currently own or have owned in the past. I release my veterinarian to provide that information to you. I am aware that prior to placement of a pet from The Lucky Spot Dog Rescue, my currently owned pets must be current on required vaccines. To protect my animals at home, if they are not current, some adoptions may require a waiting period for my own pets to gain immunities provided by the vaccines, or the adoption may be denied.

Applicant's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

# Animal Adoption Agreement

As the adopter (new owner) of an animal from The Lucky Spot Dog Rescue (TLSDR), I understand and agree to the following adoption terms and conditions.

\_\_\_\_\_ I understand that TLSDR does not guarantee the health or temperament of my new pet. It is likely that TLSDR has no medical or behavioral history on this pet before it arrived at the rescue. I understand if my pet gets sick after I bring it home I am responsible for taking it to my veterinarian and providing medical treatments, which may be costly. I am prepared to provide this for my pet. I understand TLSDR will refund the adoption fee if the animal I am adopting from TLSDR dies within two weeks of adoption due to apparent congenital illness or communicable disease that could have been contracted by the animal prior to adoption and I follow the terms of the adoption agreement.

\_\_\_\_\_ I understand that my new pet may require some behavioral training. I agree to provide that training and give my pet time to adjust to its new home. I understand that if I return my pet for behavioral issues, I may exchange for another pet, but I will not receive a refund. I understand that TLSDR also has a right to deny an exchange for any reason.

\_\_\_\_\_ I agree and understand that if I am currently a tenant living in rental housing, I will comply with any lease requirements, including but not limited to payment of a pet deposit my landlord may require in order to have my adopted pet(s) on the premises. I understand that I will not be entitled to a refund of the adoption fee from TLSDR if I do not comply with any lease requirements or if my landlord does not allow me to have my adopted pet(s) on the premises.

\_\_\_\_\_ I agree to be a responsible pet owner and that I will abide by all ordinances for the City of San Antonio, or the jurisdiction in which I reside, including requirements for rabies vaccinations and pet licensing/registration.

\_\_\_\_\_ I understand the above, agree to abide by these terms and conditions and have completed the adoption application/profile.
